A clearspan marquee gives you complete freedom to choose each detail to bring your vision to life, from lighting and decoration to the band, bar, caterer and everything in between!

To ensure smooth running, we remain on site throughout. This means we're always happy to give a hand with other parts of your event too!

Our steel sub-flooring with timber boarding gives the ability to construct a marquee in a range of locations, meaning you can optimise the most beautiful and personal of backdrops to your event.

Hiring a marquee means the sky is the limit when it comes to executing your perfect day. With very few restrictions we can create spaces for any number of guests.

We combine our high quality standards with sensible prices that allow us to deliver marquee events for any gathering.

Clearspan Marquees

Clearspan marquees are a popular and very adaptable option, meaning we can cater for events of all sizes with them.

These are the most flexible style of marquee, which can be tailored to suit your particular taste and style.

... CANNOT FAULT ANYTHING, THANK YOU ...

We have a very complicated garden, but Thomas managed to span the area we wanted to use effortlessly, and with great humour. There was not anything we couldn't do really, to achieve what we wanted and on the rainy day, it kept us all warm.

Cannot fault anything. Thank you, Thomas!

... TOM'S ATTENTION TO DETAIL AND WILLINGNESS TO MEET SPECIFIC CUSTOMER REQUIREMENTS IS SECOND TO NONE ...

We've used Hollins Marquees a few times over the years and have always been thrilled with the quality of the marquees and excellent service. Tom's attention to detail and willingness to meet specific customer requirements is second to none.

... A MARQUEE IN THE GARDEN ADDED A GREAT DEAL TO THE PLEASURE OF THE OCCASION ...

The fact that we were able to have the event in a marquee in the garden added a great deal to the pleasure of the occasion. We were very grateful that your staff were able to squeeze the marquee in the available space with so little disturbance.
